

ENTRY FORM

THE GREAT LINCOLNSHIRE SCHOOLS TATE OFF

2021
BE A POTATO RECIPE CREATOR

ENTRY FORM

As proud supporters of the LAS education programme Branston is sponsoring The Great Lincolnshire Schools Tate Off – a competition for students to develop and create an exciting potato-based recipe. Using local, seasonal ingredients and providing step by step instructions the recipe should inspire young cooks across the county. It will need to feature our favourite vegetable - tates - but you can include any other ingredients too.

You can enter as a class or team. Schools can submit as many entries as they like, but each entry should be unique and original.

The winning recipes will feature in a special recipe e-book, which will be available as a free download from our Seasonal Spuds website and the Lincolnshire Showground website. The winner from each category will get the chance to take part in a virtual cooking session with a local chef as well as being awarded special prizes for each member of the team.

To enter, please submit the following information.
